Apps/ Software

Chrome Music Lab

Garageband

Using Song Maker In Chrome Music Lab

By clicking on the different squares, you can make different musical notes. The higher up you click, the higher the pitch!

Clicking on the shapes below the notes allows you to add in percussion, e.g. drums and symbols.

You can change the instruments that make the sounds, by clicking on the different options in the bottom left.

By moving the dot along this bar (at the bottom of the page) you can change the tempo, making it faster or slower.

This symbol lets you listen to the music that you have made!
