Here is some more information about our workshops and Stay and Play;

**Stay and Play** - You can stay and play with your child in their learning environment. This is a great opportunity for your child to show off their skills and interests.

**In Harmony Stay and Sing** - Since September 2015, the children in our school have been very fortunate to work with the In Harmony Team from the Royal Liverpool Philharmonic. Twice a week, specialist musicians from the Royal Liverpool

Learning together- Following Jesus

Philharmonic teach us about musicianship and we are inviting all parents to come and take part in our In Harmony lessons.

**It's Your Child's Life** – This is a 6 week programme run by trained professionals. This programme equips parents with the necessary skills, confidence and knowledge to ensure their children are prepared for learning and place parents as real partners in their *children's* education as early possible.

**Read Write Inc Workshop for Families** - Read Write Inc (RWI) is a phonics complete literacy programme which helps all children learn to **read** fluently and at speed so they can focus on developing their skills in comprehension, vocabulary and spelling. We will hold a workshop about this to inform families about this new programme and give you top tips for supporting your children at home.

**ADHD Workshop for Families** – This is an ADHD drop in session focusing *on managing children's emotions and behaviour*. The session will be lead by The ADHD Foundation.

**Reading Books** – *Please remember to read with your child every night and make a comment in your child's reading record*. This is so important for their learning and also the more they read the quicker they will receive their reading certificates! Please also make sure that your child has their reading bag with them every day.

**Secret Reader** –This year we are encouraging family members to come into school and *be our 'Secret Reader'*. *You are welcome to sign up* for a slot and come into school at 3pm to read to the class. This is to support our School Improvement Target; *To further improve the teaching and learning of reading and writing to raise standards* If you would like to take part, we have some slots available.

We look forward to seeing you all at our workshops and 'Stay and Plays'!

Yours faithfully,

EYFS Team

Learning together- Following Jesus
