COLLECTIVE WORSHIP

1. INTRODUCTION

BACKGROUND TO COLLECTIVE WORSHIP AT OUR SCHOOL

This policy outlines the nature and provision of daily collective worship at The Beacon Church of England School. It is a legal requirement that all registered school age pupils take part in an act of worship each day. These acts of worship must be "wholly or mainly of a broadly Christian Character" for the majority of the time. They must also be "appropriate, having regard to the ages, aptitudes and family backgrounds of the pupils".

Our school welcomes families from all faiths and religions. We recognise that in asking our children to worship we have to consider the background that our children come from. The faith background of both the staff and the child's family is respected at all times.

2. NATURE OF COLLECTIVE WORSHIP

Collective worship plays a central role in our Church School; it models our school's Christian vision and values, and helps set our Church School identity.

Learning Together- Following Jesus is accomplished through our aims:

1. To educate for wisdom, knowledge and skills and ensure the best possible outcomes for all pupils.
2. To have high hopes and aspirations in all aspects of school life.
3. To follow our Christian Values by participating and living well together in our community.
4. To respect everyone and ensure outstanding personal development, behaviour and attitudes.

Collective worship is valued. This is a special time in the school day.

Below are some of the accepted aims of collective worship in a Church school:

- To provide an opportunity for the children to reflect upon God and to give Him honour
- To help children discover their place in the world.

Jesus said, "I am the light of the world. Whoever follows me will have the light of life."

John 8:12

- To highlight and nurture the spiritual dimension through experiencing worship.
- To provide children with a vocabulary of worship and an experience of a wide variety of worship forms, including symbols and imagery.
- To provide an opportunity to celebrate major, and some minor, Christian festivals.
- To heighten awareness of the ultimate questions / realities of life and to provide the opportunity to reflect upon these. To support the search for meaning.
- To enable children to appreciate their worth and value to God, and to the community, and to respect the integrity of all individuals as children of God.
- To enable pupils to make effective use of silence in opportunities for reflection, contemplation, meditation and prayer.
- To celebrate gifts, talents and achievements.
- To establish, explore, and reinforce the common Christian values of the school community such as love, peace, kindness, compassion.
- To foster a feeling of community and belonging in the school through a sharing of experiences and feelings.
- To develop personal relationships and to encourage social development.
- To provide an opportunity to empathise with the needs of others.
- To provide an opportunity for children to become acquainted with people from the local and wider community, particularly the local church.
- To encourage respect and care for God's creation by a positive attitude to both local and global environmental issues.
- To foster feelings such as awe, wonder, thankfulness, mystery and joy.
- To give memorable and enjoyable experiences.
- To provide an opportunity to bring before God in prayer personal needs and those of others.

*Jesus said, "I am the light of the world. Whoever follows me will have the light of life."
John 8:12*

- To share with participants some of the central teachings of the Christian faith at an appropriate level, and thereby give them the encouragement to explore their own beliefs and understanding of God within a Christian framework.

Through our collective worship we aim to provide a caring and supporting environment for children to:

- Become increasingly aware of themselves as individuals and groups within the school and wider community.
- Grow in understanding of the feelings of the other people in every day situations and beliefs.
- Explore the language which people use to express their feelings.
- Deepen their sense of wonder about the world around them.
- Grow in confidence when making a presentation to the group or whole school.
- Respond freely to religious and/or spiritual stimulus.
- Acknowledge diversity and affirm each person's life stance, whether it be religious or not.
- Gives children the space to develop a reflective approach to life and the ability to express their reflections in traditionally religious ways or any other appropriate manner.

Worship both reflects and nurtures the ethos of the whole school. It encompasses all aspects of school life and all areas of the curriculum so that every member of staff and every pupil may feel involved. In particular school worship here develops the feeling of belonging to a community which is essential for personal development and spiritual growth.

WORSHIP OF A BROADLY CHRISTIAN CHARACTER

The majority of acts of worship must be of a "broadly Christian character", and those that are must reflect the broad traditions of Christian belief without being denominational.

Collective Worship Policy

Learning Together, Following Jesus

*Jesus said, "I am the light of the world. Whoever follows me will have the light of life."
John 8:12*

If we are to be inclusive in our worship in this school, taking the family backgrounds of the children into consideration, then, when according a special status to Jesus Christ, all pupils, whatever their beliefs, need to be respected. It is therefore appropriate in this school to tell stories of the life of Jesus, but inappropriate for all children to be required to address Him in prayer.

Many of the characteristics of Christianity are shared by all the faiths. It is important to concentrate on these as well as those specific to Christianity.

3. ORGANISATION OF COLLECTIVE WORSHIP

The Head of School has overall responsibility for the organisation of Collective Worship.

Worship Warriors from Key Stage 2 are chosen to help with planning and taking assemblies.

Collective worship is organised as a single act of worship for all children (except those withdrawn by parents) on some days and as separate acts for children in different age groups on others. Our EYFS have in class collective worship.

We focus on a Christian value each half term over a 2 year cycle: generosity, compassion, perseverance, justice, service, truthfulness, respect, friendship, courage, thankfulness, forgiveness and trust.

We have a Collective Worship annual plan which includes Christian Values and major festivals from other religions.

- Reflect upon dimensions of human life – the wonderful, beautiful, joyful, heroic, humorous, tragic, sorrowful, solemn....;
- Reflect on the way in which humankind has expressed the deepest spiritual feelings, through the creative and expressive arts, scientific discovery, religious practice, service to God and other people.

5. PLANNING

Each half term we have a theme which fits in with a value which we focus on. Within this theme we also celebrate significant events in the Christian calendar and other religious festivals. Each half term is planned carefully with the St. Georges Vicar. We also plan the use of visitors to enhance Collective Worship.

We see collective worship as an educational opportunity with clear objectives.

We evaluate worship by using a special worship book which is passed to each year group and all members of the school community are invited to make comments on what they liked about worship and how it can be even better.

The following may be described as shared Christian elements of collective worship:

- Using the Bible, either as a source book, or as an inspiration for themes and stories.
- Observing the cycle of the Church's Year - Advent, Christmas, Lent, Easter, Pentecost, Saints Days.
- Learning and saying traditional prayers from a number of sources, in particular the Lord's Prayer and the Grace.
- Singing a wide variety of hymns, from traditional to rap.
- Using Christian symbols in worship and reflecting on their meaning e.g. cross, crucifix, bread and wine.
