Hansel and Gretal

- Dual narrative
- Persuasive Letter

Religious Education

Advent

How do Christians prepare for Christmas?

Science:

The Science of Light:

How does light travel? How does reflection help us see? Can we increase reflection? What shapes our shadows? What causes rainbows?

History:

Medieval African Kingdoms: Ethiopia and Benin

The medieval Kingdom of Benin and Ethiopia, including their societies, rulers, governments, material culture and technology.

Geography:

Ethiopia: Ethiopia's location, climate, landscapes, the Great Rift Valley, population, biomes, rural life and sustainable development.

Art:

Painting – Children develop their painting skills by experimenting with colour, tone, texture and brush techniques, exploring artist' work and creating their own original artwork.

Music:

Children explore musical structure and landscape, using GarageBand to create and organise musical sections and experiment with repeated patterns and develop their own compositions.

PE:

Swimming

PSHE:

Anti-Bullying Week

Expect respect – Examining gender stereotyping

Computing:

3D Modelling: Children use Tinkercad software to design and create 3D models, learning how to manipulate shapes, resize, rotate and combine objects to produce virtual models of real-life objects.

Modern Foreign Languages:

School Life – Children develop French vocabulary and conversational skills, learning to tell the time, describe their daily routines, name school subjects and express their likes and dislikes.
