The Children:

I will only access the Internet with my own username and password, which I will keep secret.

I will not use other children's user names or passwords.

I will only use the Internet when I have permission and I am supervised by an adult.

I will use the Internet only for work set by the school.

I will only e-mail in school using my school e-mail account.

I won't tell strangers about myself or my family, where I live, my phone number or where I go to school.

I won't send or accept pictures from people I don't know.

I will tell a grown up if I feel scared or unhappy about anything.

I will never agree to meet a stranger.

I will make sure that all messages are polite.

Acceptable Use of Technology Policy for KS1

Child's Name _____

KS1 Class _____

Sanctions if children do not follow these rules will include:

- Temporary or permanent ban on Internet use.
- Additional disciplinary action in line with our school behaviour policy.
- Parents and other agencies will be contacted.

√ Please talk to your child about the rules which they need to follow.
√ Both you and your child sign and return to the school office.
√ The office will copy and return it to you so that you can refer to it when your child is using technology at home e.g. put it up near where you use your computer etc.

The Parents:

To help my child stay safe using the Internet, I will do my best to:

Monitor my child's use of the Internet outside school using any technology for example PSP, Wii, mobile phone, laptop and by adhering to our Acceptable Use Policy.

To use our learning platform safely and appropriately.

Discuss e-safety issues with my children, supporting the school in it's e-safety approaches and reinforcing appropriate behaviour at home.

Liaise with school if they suspect or have identified that their child is conducting risky behaviour online.

Not allow my child to lie about their age and access social networking sites e.g. Facebook which are designed for older children and adults.
