

SINGNG HOSANNA TO THE LORD

ALL

Gather palm leaves, wave them high!
See the King on a donkey ride by!
See God's kingdom drawing nigh

Singing Hosanna to the Lord
Singing Hosanna to the Lord
He is the One whom we adore
Singing Hosanna to the Lord

Blessed be the Holy One!
Glory to God's only Son!
Surely now His time had come

Singing Hosanna to the Lord
Singing Hosanna to the Lord
He is the One whom we adore
Singing Hosanna to the Lord

MARY

See the people shout and cheer
Happy that their King is here.
Why is my heart filled with fear?

Singing Hosanna to the the Lord
Singing Hosannah to the Lord
He is the One whom we adore
Singing Hosannah to the Lord
